8. Membership update (JW)

51 renewals: 18 females, 33 males inc 5 juniors

All course setters/organisers must be members to be covered by insurance

8. General Business

a) OV Council Meeting

Primary School Championships - there was a discussion about a possible change of date, but at this stage the only option available was for a couple of weeks earlier which would still be in November.

Come & Try events - suggested use same map for multiple Come & Try events or have a Come & Try event on the same map as regular event a few weeks later

What are the skills of newcomers

Parks Victoria - parks fees will be covered by OV for state events

Promotion of Australian Championships

b) Helpers / control collection at events. (JW).

3 volunteers per week. Provide sign up sheet at event.

c) Computer setup (JR)

Roster against calendar. OE required on laptops.

Some preparations can be done in batches of events.

Setup email address

d) Fire burnoffs (JW)

Castlemaine area has a series of planned burns will take place in the next few weeks starting late March.

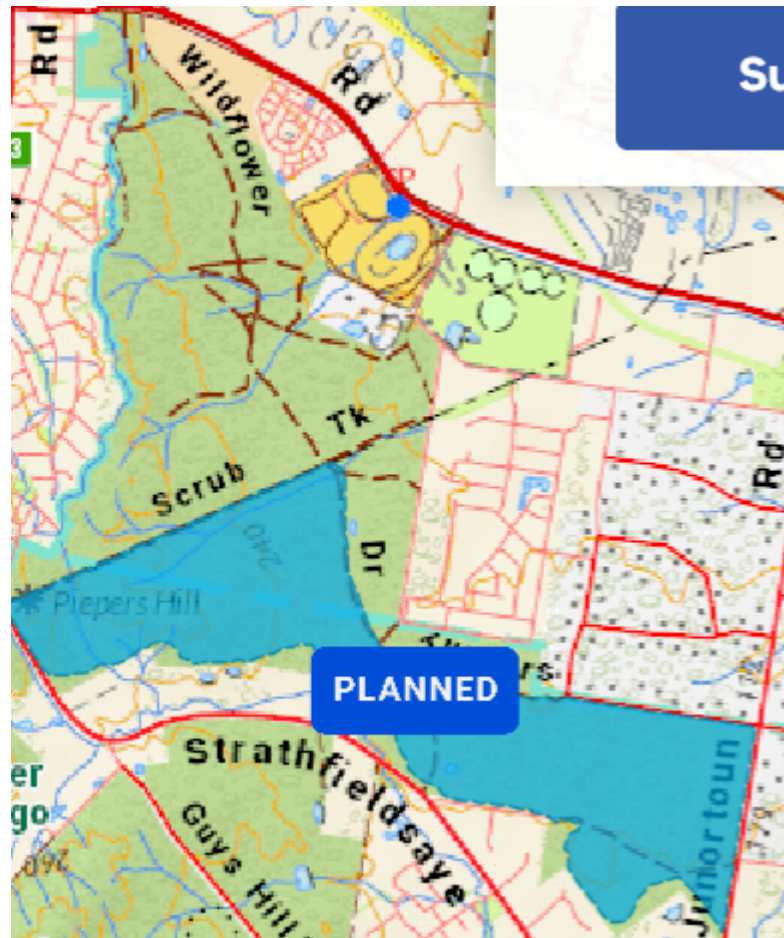

The burns will cover Forest Creek, Wattle Gully and Kalimna Park and will take about 2-3 weeks.

These burns will involve fire breaks rather than large areas of forest - so should be narrow breaks.

From what I can see it will only impact Orienteering events if they are

1. along the west edge of Kalimna park
2. on the northern section of Wattle Gully map near Chewton.

Wildflower Drive - March 1 - May 31

e) Newcomers email address collection
