7. **Treasurer's Report**

Away, so no report this month

Craig has implemented MYOB online and imported historic balances. Will use from July 2022 onwards.
8. **Membership update** (by J. Wilkinson)

78 members paid to 4th July. Recent members: Charlie Wilkin (J), Charlie Hutchison (J), David Burrow (not a new member - hasn't paid), Rosie Elliot, Evan Barr.

John Wilkinson to follow-up David Burrow & Laurie Edward
9. **General Business**
 - a) [2023 Calendar](#)

MTBO Vic Sprint Champs at Castlemaine on April 29

OV bush calendar meeting - July 22

b) Sporting Club Grants

This round of the Sporting Club Grants Program has three funding categories:

Category 1: Up to \$1,000 for Uniforms and Participation Equipment

What new kit do we need? Uniforms for members?

Category 2: Up to \$5,000 for Skill Development courses for club officials, coaches, volunteers and administration staff

Category 3: Up to \$5,000 to support the Operational Capacity of organisations to operate more effectively in their community.

Can be used for a new web site?

Applications open until 5pm, 21 July 2022

Can only apply in one category

Category 1 is most appealing - least amount of work to implement

Ross will get a list together for SI Droid

New kites? Already have plenty of new flags? Perhaps fill out the grant "Hart" brand

Julie to take a look at the application process and see what is needed

c) Map Database

Time we get a single, authoritative database

(Yesterday's event shows difference between google drive and omaps)

Working group of Craig, Jim and Neil - anyone else?

Use Neils previously documented methodology

d) Locks

Noticed someone has snapped key in trailer lock - Jim is repairing

Key safe at Woollen Mills has been removed - Craig will find replacement ASAP (key is in the "keys" tub in trailer with yellow keyring)

Suggest we get another 50x padlocks for controls (keyed the same) - Julie & Neil

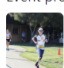

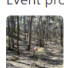

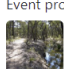

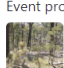

e) Google Analytics

Updated to GA4 on bendigo-orienteers.com.au web site

f) Facebook Ads

Good reach and good clicks

Need to ensure we are targeting the ads down to Bendigo - lets say 20km radius

g) Bendigo event procedures - Ross

More hire SI required for Bendigo events - maybe sets can be reorganised

Suggestions to reduce workload of course setter and computer person

Can we get more participants (non-BGV members, Casuals) to have SI stick or P-card?

Pre-entry

“Self serve” maps & start list (from Eventor) on trailer. Highlight name to start.

Enter on the day

Is it possible to get “Reserve” to print? “Reserve” occurs when a SI is downloaded before it has been entered. This is a setting and can be changed.

Suggested trial of SI-Droid August 6 at Wendy Taverna’s event on Kangaroo Gully - apply for Sporting Victoria Grant

- h) Working with Children register - Ross
- i) Faded control flags - Anne
Neil to go through existing kites and throw out old ones
- j) La Trobe Uni Outdoor Education & use of Bendigo Maps - Phil
Club has no issue with uni using maps for education purposes. Club doesn’t expect any payment for the use of the maps.
- k) Aus Champs - Neil & Julie
1 Oct Long Champs @ Nuggety near Maldon
Julie is organiser and needs some teams of people to assist - will circulate a notice through the newsletter
- l) Jim has been playing around with MEOS
- m) PayID - Craig needs to get online access to bank account
- n) Jim was at Mt Tarrengower today to organise his event. Suggesting we need a controller. Phil Robertson offered.

Meeting closed: 6:50pm (failed KPI of 6:30)

Next meeting Monday 7 August at 5:30pm
