In between orienteering events...

Jim Russel (pictured here just near the snow line on Mt. Feathertop) participated in the four peaks weekend - a lot of serious uphill running in the Australian Alps.

Catherine and Chris Creely (pictured), Narissa Leung, and a few other orienteers ran in the Bendigo Bank fun run.

And Chris Creely also competed in the Eureka tower run, climbing up 88 floors, - we're hoping he'll regain consciousness in a few weeks.
